Hard Work and Consistency Head For Achievement

SCHOOL OF THOUGHT

"Empowering Rural Minds, Enriching Future Generations"

At Samata Lok Shikshana Samiti, we are driven by a shared vision to uplift the weaker sections of society, especially in rural areas. Since our inception in 1981, we have been dedicated to improving educational quality and creating job opportunities for our students.

Join us in our mission to shape a brighter future.
We warmly welcome prospective students, well wishers, and like-minded individuals to be the part of
our journey.

Together, let's consolidate our efforts, define long-term goals, and create everlasting impact on the lives of those we serve.
Welcome to our community of change-makers!"

B R Patil
Chairman
Samata lok Shikshana Samiti, Aland

CHAIRMAN'S MESSAGE

SECRETARY'S MESSAGE

"Education is not just a passport to success, but a blueprint for a better world. As we learn, let us strive to uplift others, transform our communities, and leave everlasting legacy of kindness, compassion, and hope."

Welcome to Samata Lok Shikshana Samiti, Aland!

We are thrilled to share our journey of inspiring minds and transforming lives through education. From humble beginnings with a single school to expanding our horizons in Higher Education, especially in Health Sciences, we have come a long way.

At Samata Lok Shikshana Samiti, we encourage a vibrant learning community that thrives on collaboration. We believe in a three way partnership among students, parents, and management to nurture young minds and shape their futures.

Shoulder us in our pursuit of excellence, and let us together create a brighter tomorrow!
Thank you!

R K Patil
Secretary
Samata Lok Shikshana Samiti, Aland

LEADING DESK

MESSAGE FROM THE DESK OF PRINCIPAL

MR. SANTOSH K PATIL
PRINCIPAL
VVPS & VVIPUC,ALAND

"True education illuminates the mind, shapes character, and inspires wisdom. It's not just about learning, but about becoming a thinker, a leader, and a force for good."

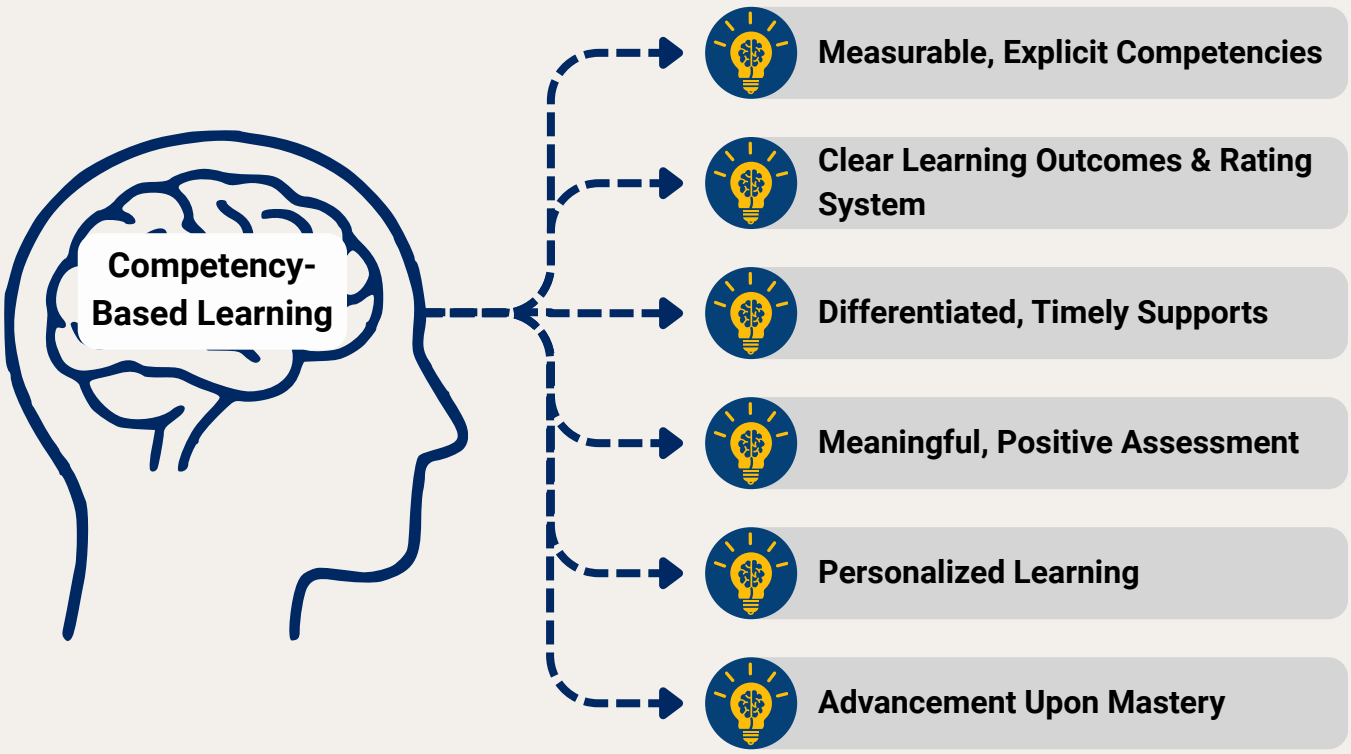

At VVPS, we believe that, every child deserves to experience a sense of achievement, discipline, value, and integrity. Our dedicated team of faculty members strive to create a nurturing environment where every student feels welcomed, cared for, and encouraged to thrive.

With state-of-the-art infrastructure, digitalized classrooms, and a wide range of extracurricular activities, we provide a holistic learning experience that inspires academic excellence, creativity, and character development.

Our vision is to shape a generation of leaders who will succeed not only in their careers but also in serving humanity. We invite parents to join us on this journey, as together, we can make a meaningful difference in the lives of our children.

At VVPS, we are committed to make Aland **MEDICAL** and **IIT** hub by rediscovering the magic of learning.

CONGRATULATIONS TO OUR NEW SCHOOL CABINET

Heartiest Congratulations to all the students selected for the School Cabinet 2026-27. Your hard work, discipline and leadership have earned you this honour. We are proud of you and wish you great success in your new roles.

OUR STUDENTS COUNCIL

The Student Council is a body of responsible students who act as a bridge between students and teachers. It helps in maintaining discipline, organizing school activities and developing leadership and responsibility.

CABINET MEMBERS AND THEIR DUTIES

- **Head Boy / Head Girl:** Leaders of the council, maintain overall discipline and represent the school on all occasions.
- **School Sports Captain & Vice Captain:** Responsible for all sports activities, assist the PET in organizing games and sports events.
- **House Captains & Vice Captains:** Lead their respective houses and ensure maximum participation in all competitions.
- **House Sports Captains & Vice Captains:** Lead their house in sports events and encourage students to participate in games.

We expect our cabinet members to be role models in discipline, punctuality and behaviour.

Best Wishes to the New Cabinet Team!

BLESSED DAWN

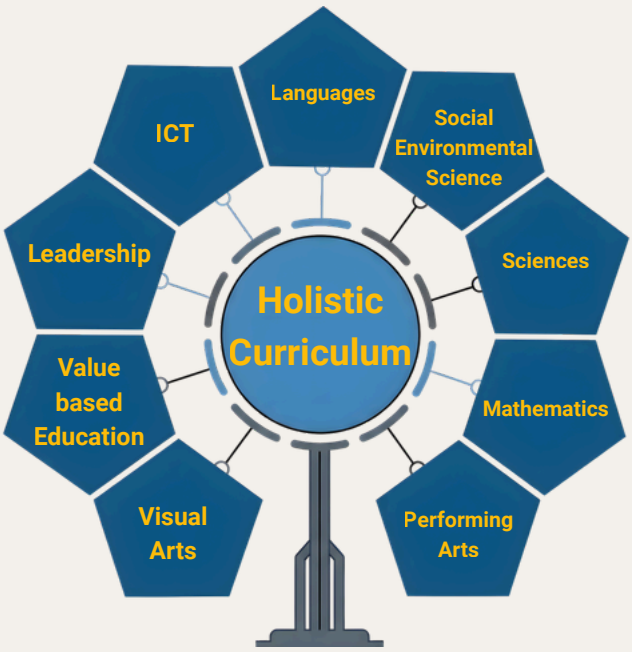

We Shall Overcome

We shall Overcome,
We shall Overcome
We Shall Overcome Some day
Oh, deep in my heart, I do believe
We Shall Overcome Some day.
we are not alone, we are not alone
We are not alone today.
Oh, deep in my heart, I do believe
We Shall Overcome some day.
We are not afraid, We are not afraid
We are not afraid today.
Oh, deep in my heart, I do believe
We Shall Overcome Some day.

SCHOOL CURRICULUM MODEL

Aiming to bring sustainable change, we have adopted CBSE (Central Board of Secondary Education) curriculum that provides students a high-quality education that equips them with the knowledge, skills, and values necessary for personal and academic success in a rapidly changing world. Through a balanced and comprehensive approach to learning.

The CBSE curriculum brings holistic development, critical thinking, creativity, and social learning, interactive teaching methodologies, and the integration of technology. The curriculum seeks to empower students to become lifelong learners who are adaptable, innovative, and equipped to thrive in diverse contexts.

Furthermore, the CBSE curriculum is designed to promote inclusivity, equity, and accessibility, ensuring that every student has the opportunity to reach their full potential and contribute positively to society. Overall, the main objective of the CBSE board curriculum is to prepare students to become informed, engaged, and responsible citizens who are prepared to meet the challenges.

ACADEMIC PROGRAMME

PRE-PRIMARY PROGRAMME (KINDERGARTEN)

The kindergarten program serves as a crucial foundation for young learners, providing them with a nurturing and stimulating environment to explore, discover, and develop essential skills for lifelong learning. In kindergarten, children engage in a range of age appropriate activities that promote their cognitive, social, emotional, and physical development. Through play-based learning experiences, hands-on activities, and structured routines, kindergarten programs foster children's curiosity, creativity, and imagination, laying the foundation for future academic success.

Moreover, we have a specially designed colorful kindergarten room with AV facility and different kids play articles. Often our teachers take sprouting kids to the room and where they let them for enjoying and learning with flashcards, rockers, arranging alphabets etc. also, show some moral videos concentrating the minds and disclosing generousness. Special VVPS KG play ground provides vivid range of play park.

PRIMARY SCHOOL PROGRAMME

The primary school program lays the foundation for students' academic journey, providing a nurturing and engaging environment where young learners develop essential skills, knowledge, and attitudes that will shape their future success. With a focus on foundational subjects such as language arts, mathematics, science, and social studies.

Primary school curriculum introduces students to fundamental concepts and builds their literacy, numeracy, and hands-on learning experiences. Moreover, primary school programs give beautiful boost for social and emotional development by promoting collaboration and communication among students, creating a supportive classroom community where every child feels valued and respected.

VVPS primary school programs provide a solid educational foundation that prepares students for lifelong learning and future academic achievement.

Introduction of co-curricular activities takes students in new amazing world of learning unknowingly. We are providing all chances to participate in different activities like spelling bee, rhymes competition, quiz competition, storytelling etc. bringing fun blended learning.

Platform for extra curriculum provided by our school keeps our students fit and fine to grasp more and more things during this age.

ACADEMIC MERITS

MIDDLE SCHOOL PROGRAMMES

The middle school programmes bridges the transition between elementary and high school, providing students with a dynamic and comprehensive educational experience that enhance academic growth, personal development, and social responsibility. Middle school curriculum typically encompasses a wide range of subjects, including mathematics, language arts, science, social studies, and elective courses, designed to build upon foundational knowledge and skills acquired in earlier grades. In addition to rigorous academic instruction, middle school their learning and develop critical thinking, problem-solving, and communication skills.

Further more, middle school serves as a crucial period for students' social and emotional development, as they navigate peer relationships, explore their identities, and develop essential life skills. With dedicated educators, supportive resources, and a focus on holistic growth, middle school programs empower students to become confident, resilient, and responsible individuals prepared to succeed in high school and beyond. VVPS provides scope for expanding the academic and moral horizons. Co-curricular activities such as quiz competitions, debate competitions, speech competitions, monologues, singing, dancing, etc give good platform for getting introverted. Extracurricular activities such as in-door and outdoor games.

HIGH SCHOOL PROGRAMMES

The high school Programmes marks a remarkable stage in students' educational journey, offering a diverse array of academic opportunities, extracurricular activities, and career pathways to support their individual interests and aspirations. At VVPS, the curriculum is delivered in a progressive and phased manner, enabling students to knowledge and the development of analytical skills form an integral part of the programme that aims to develop students to become responsible citizens who make positive contributions to the society.

Class VIII serves as a preparatory year for the CBSE Programme in Classes IX and X. Students study English as the First Language, Kannada or Hindi as the Second Language, and Mathematics, social science and Science (Physics, Chemistry and Biology) and Computer Studies as core subjects. From our school, trips and excursions enable children to expand their understanding of the world from academic and cultural perspectives. They participate in Dance, Drama, Fine Arts, Western and Indian Music, Yoga, Model United Nations and other activities. They organize and participate in Inter-house.

ACTIVITY BASED LEARNING

Only Activity Based Learning (ABL) employed by our school VVPS at primary level itself, provides an interactive and engaging environment where young learners actively participate in their educational journey. By incorporating hands-on activities, experiments, games, and projects into the curriculum, activity-based learning encourages children to explore, experiment, and discover concepts firsthand, igniting their curiosity and deepening their understanding of the world around them. Through collaborative tasks and group discussions, students develop communication skills, teamwork, and problem-solving abilities, while also learning.

VVPS has well equipped Physics, Chemistry, Biology, Computer, Robotics and Maths labs where our students are taken according to respective time schedule and they are made to feel concepts in the syllabus. This brings practical approach to the theory and help students understand things easily. Different equipments, working models, preserved specimens, colorful chemical reactions create unbelievable.

CO-CURRICULAR ACTIVITIES

Our school VVPS is well aware about incorporation of things in deep mind through Co-curricular activities that refer to activities outside the regular curriculum that aim to complement and enhance the overall educational experience of students. Inter-house competitions include complete coverage for arts, music, drama, debate, clubs, quiz etc. Engagement in co-curricular activities offers several benefits for students, including the development of leadership skills, teamwork, time management, creativity, and social skills. Participation in these activities can also contribute to a well rounded education and help students explore and develop their interests and talents beyond academic subjects. VVPS organizes at least 4-5 activities per month per section in the zero hour specially provided in school regular time table to ensure complete coverage of syllabus and develop stress free ecosystem in the school preventing forceful and imposed teaching process.

EXTRA CURRICULAR ACTIVITIES

Extra-curricular activities are an essential part of our college life at VVPS. These activities provide students with opportunities to pursue their passions, develop new interests, and build relationships outside of the classroom. Our extra-curricular activities include sports, clubs, volunteer work, and cultural organizations, among others. Through our extra-curricular activities, we aim to foster personal growth, leadership, and community engagement among our students.

We encourage students to participate in these activities, which helps them develop important life skills, such as teamwork, time management, and self-discipline. By providing a range of extra curricular activities, we strive to create a vibrant and inclusive community that supports the diverse interests and passions of our students.

TRANSPORT FACILITY

VVPS provides safe and reliable bus transportation to students who wish to avail this facility. The school has a luxury fleet of buses with the best of safety arrangements available for the neighbouring areas. The students in school buses are accompanied with well trained drivers and teachers travelling with them. The buses have various routes that connect ALAND TALUKA with numerous villages. Students from all around the village can get advantage of the bus facility.Transport facility will be made available on specified routes and designated stops only, at the sole discretion of the school management.

ART AND CULTURE

At VVPS we believe that art and culture play a vital role in shaping the minds and personalities of our students. Our school provides a platform for students to explore their creative talents and showcase their artistic skills. We have a dedicated team of instructors who guide students in various art forms, including music, dance, painting, and theater. Through our art and culture programs, we aim to foster creativity, self-expression, and cultural awareness among our students. We organize regular cultural events, exhibitions, and performances that provide students with opportunities to showcase their talents and learn from others. By promoting art and culture, we strive to create a vibrant and inclusive community that celebrates diversity.

FEATURES

DIGITAL CLASSROOM

A digital classroom is a technology-enhanced learning environment that uses digital tools and resources to support teaching and learning. It is a flexible and dynamic space that can be tailored to meet the needs of individual students and teachers. Digital classrooms can be physical or virtual, and can be accessed from anywhere, at any time, using a range of devices such as laptops, tablets, and smart phones.

Digital classrooms at VVPS provide opportunities for personalized learning, increased student engagement, and improved access to educational resources. Interactive whiteboards, virtual reality experiences, and gamification can all be used to make learning more interactive and fun. Additionally, digital classrooms can provide opportunities for students to connect with peers and experts from around the world, broadening their perspectives and experiences.

IMPORTANCE OF COMPETITIVE EXAMINATIONS

Competitive exams also provide a platform for students to showcase their talents and abilities. They offer a fair and transparent way to evaluate students' performance, helping to identify the brightest and most deserving candidates. This, in turn, enables universities and institutions to select the best students, ensuring that they receive the opportunities they deserve.

By participating in competitive exams, students can unlock new opportunities, gain recognition, and secure their future.

Moreover, competitive exams foster a culture of excellence and innovation. They encourage students to strive for perfection, push beyond their limits, and explore new ideas and concepts. By doing so, competitive exams drive progress, promote intellectual curiosity, and inspire students to become active contributors to their fields. As a result, competitive exams play a crucial role in shaping the next generation of leaders, innovators, and change-makers. Ultimately, competitive exams are an essential stepping stone for students seeking to achieve their academic and professional goals. They provide a benchmark for excellence, a catalyst for growth, and a launch pad for success. By embracing competitive exams, students can unlock their full potential, realize their dreams, and make a meaningful impact in the world.

VVPS HOUSE SYSTEM 2026-27

PREAMBLE :-

"Four Houses, One Vision – Excellence in Every Action"

The House System at VVPS is a structured framework of student organisation designed to build leadership, promote healthy competition, ensure 100% participation, and integrate academics, discipline, and activities into daily school life.

VVPS House Motto :- "Together We Learn, Lead and Excel"

VVPS Signature Line :- "Consistency in Effort, Excellence in Outcome"

1. DEFINITION & CORE PHILOSOPHY

1.1 Definition :-

The House System at VVPS is a whole-school structure where every student and selected staff are allotted to one of four houses. Each house functions as a mini-community within the school, competing and collaborating across academics, sports, discipline, cultural activities, and leadership development.

1.2 Core Philosophy :-

The House System at VVPS is designed to:

1. Build leadership at every level from Grade 1 to 10
2. Promote healthy competition with measurable outcomes
3. Ensure 100% student participation in school life
4. Integrate academics, discipline, and co-curricular activities
5. Foster teamwork, responsibility, and school identity

1.3 Official Policy Line :-

"The House System at VVPS aims to foster leadership, teamwork, discipline, and holistic development through structured competition and collaborative participation."

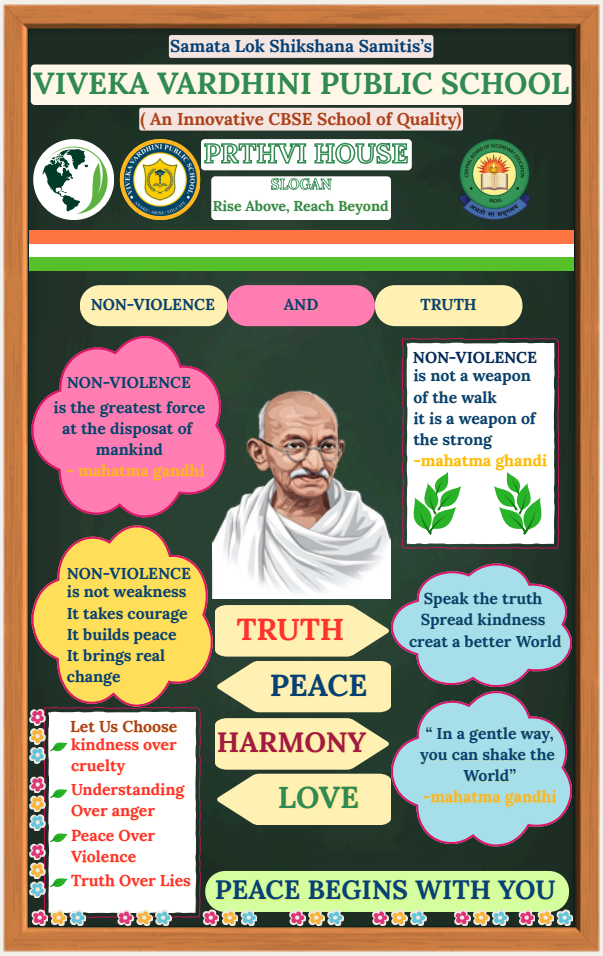

2. HOUSE IDENTITY – THE FOUR HOUSES

At VVPS, every student belongs to one of four houses. Each house is inspired by a classical element and has a distinct identity, color, symbol, slogan, and focus area. This identity builds pride, loyalty, and purpose among students.

2.1 AGNI HOUSE	2.2 JAL HOUSE	2.3 PRITHVI HOUSE	2.4 VAYU HOUSE
• Element: Fire • Color: Red and Maroon • Symbol: Flame in academic crest style • Slogan: Ignite the Power Within • Focus Area: Leadership, courage, and initiative	• Element: Water • Color: Blue and Teal • Symbol: Water Wave • Slogan: Flow with Strength and Adaptability • Focus Area: Adaptability, emotional balance, and teamwork	• Element: Earth • Color: Green and Olive • Symbol: Tree or Earth Crest • Focus Area: Discipline, consistency, and responsibility	• Element: Air • Color: Yellow and Burnt Orange • Symbol: Wings or Wind Swirl • Focus Area: Creativity, innovation, and agility
